

HOMECOMING REUNION AND SPRING REUNION SCHEDULE - 2022-2042

We know Bishop's graduates and friends like to plan long in advance – especially when it comes to coming “home” to campus. As such we have developed the tentative schedule below for classes and special groups to be celebrated at Homecoming and at special reunions until 2042! If you think we've missed something or would like to see gatherings for other special groups, please get in touch with Sterling Mawhinney '88, Alumni Relations Coordinator at sterling.mawhinney@ubishops.ca or 819-822-9660.
