

# TOP 10 AFTER 10

## Sidney Sommer '97

---

Sidney graduated from Bishop's in 1997 with a B.A. in Sociology. A true entrepreneur, in 2003 he started a business that has become a leader in the security industry. By 2008, UCIT Online Security (pronounced You-See-It Online) had grown to 35 employees and Sidney was named BDC Young Entrepreneur of the Year Award, for Ontario. Today, with the 2016 acquisition of Dallas based Stealth Monitoring, UCIT employs over 420 people at offices across North America. Since the beginning of UCIT, Sidney has provided free services to Habitat for Humanity and each year a team of UCIT employees helps build a home for underprivileged families. Sidney and his wife, Natalie, also support Sick Kids and for many years were members of the Children's Circle of Care.

The Bishop's TOP 10 AFTER 10 initiative highlights the success of Bishop's graduates as leaders in business, education, science, community and volunteer service... in fact, in every walk of life. Sidney was selected by a committee of previous TOP 10 AFTER 10 winners and he was inducted into the 2017 Class on September 22, 2017 at a ceremony on campus. Bishop's takes pride in celebrating the achievements of its graduates and we congratulate you, Sidney, on your induction into the prestigious TOP 10 AFTER 10. You personify the quality of a Bishop's liberal arts education, you serve as an inspiration to current students, and you instill pride in all members of the Bishop's community.
